Section 5(e). Mental Health and Substance Use Disorder Benefits

Important things you should keep in mind about these benefits:

- Please remember that all benefits are subject to the definitions, limitations, and exclusions in this brochure and are payable only when we determine they are medically necessary.
- If you have an acute chronic and/or complex condition, you may be eligible to receive the services of a professional case manager to assist in assessing, planning, and facilitating individualized treatment options and care. For more information about our Case Management process, please refer to Section 5(h). Contact us at the phone number listed on the back of your Service Benefit Plan ID card if you have any questions or would like to discuss your healthcare needs.
- Be sure to read Section 4, *Your Costs for Covered Services*, for valuable information about how cost-sharing works. Also, read Section 9 for information about how we pay if you have other coverage, or if you are age 65 or over.
- Every year, we conduct an analysis of the financial requirements and treatment limitations which apply to this Plan's mental health and substance use disorder benefits in compliance with the federal Mental Health Parity and Addiction Equity Act (the Act), and the Act's implementing regulations. Based on the results of this analysis, we may suggest changes to program benefits to OPM. More information on the Act is available on the following Federal Government websites:

 - You may choose to receive care from In-Network (Preferred) or Out-of-Network (Non-preferred) providers. Cost-sharing and limitations for In-Network (Preferred) and Out-of-Network (Non-preferred) mental health and substance use disorder benefits are no greater than for similar benefits for other illnesses and conditions.
- **Under Basic Option,**
 - **You must use Preferred providers in order to receive benefits. See Section 3 for the exceptions to this requirement.**
 - There is **no calendar year deductible**.
- You should be aware that some Non-preferred (non-PPO) professional providers may provide services in Preferred (PPO) facilities.
